

Liberty Bank Honored with Cascade Capital Award

October 11, 2011 - Liberty Bank, N.A. announced the bank was selected as a Cascade Capital Corporation Business Growth Award honoree for 2011. This is the sixth consecutive year Liberty Bank has received the award presented by Cascade Capital Corporation and Smart Business Magazine.

The Business Growth Awards recognize businesses from Ashland, Holmes, Medina, Portage, Stark, Summit and Wayne counties that have achieved significant growth by increasing their sales by 100 percent or \$5 million or increasing its work force by at least 50 percent or 25 people over the most recently completed five year period.

“We do business with a partnership mentality,” said William A. Valerian, Chairman & CEO of Liberty Bank, N.A. “Being a true partner to our clients has enabled us to successfully expand existing relationships and to garner new ones. In addition, we have the advantage of local ownership and decision making. We are very pleased to have contributed to the economic growth of Solon, Twinsburg and other areas in northeast Ohio,” said Mr. Valerian.

Founded in 1990, Liberty Bank, N.A. is a full-service, community national bank. With branch offices in Beachwood, Solon and Twinsburg, the independently-owned bank serves local consumers and privately held businesses with sales of up to \$50 million. Liberty Bank specializes in providing innovative financing and cash management services for commercial customers together with competitive rates and a high level of personalized customer service.
